

## Learn to Sail Graduates

The 2017/18 season is almost upon us and we are excited about your return.

### Free Refresher Sessions for Learn to Sail Graduates

All graduates are all invited to 2 free 2-hour refresher sessions on 16th September and 23rd September starting at 10:30 am. (Rigging at 10:00 am and on the water by 10:30 am.) Refresher courses will be run by the club coach Tom Mitchell.

This limited offer is open to all children who have completed a learn to sail course, including those who have already done some Saturday morning 'Rainbow coaching'.

### RSVP

If you want to take up this offer please indicate your intentions by RSVP Bronny Lane 027 5253322 or [Its.qcyc@gmail.com](mailto:Its.qcyc@gmail.com)

### Rainbow Fleet Coaching

Rainbow coaching is the next step on the way to becoming a sailor for life. Rainbow coaching happens most Saturday mornings during the sailing season (see calendar for details). Rainbow coaching reinforces the skills already learnt and progresses the sailor through to being a confident self-sufficient sailor.

All learn to sail graduates who wish to continue to sail in the 'Rainbow Fleet' are offered a reduced club membership, with second and subsequent family members fees being further reduced.

### Boats

The club has 4 wooden boats for hire at \$200/ season. This is a great way to further develop your sailing skills without the outlay of buying your own boat. Hire is on a first in basis, and the boat will be yours to be responsible for until you get your own, or until the end of the season. They will be housed in the club shed. Contact the learn to sail coordinator for details [LTS.qcyc@gmail.com](mailto:LTS.qcyc@gmail.com)

We look forward to seeing you on Sept 16th with your families.

Regards

The Coaching Team
