

Beach Master Sign on / off procedure.

Following the successful implementation of the following procedure at the Paper tiger Nationals the following will be implemented at the Interislander Regatta.

- Pre named sign on and sign off sheets will be printed in boat number order from sail wave.**
- One copy to the Signal Boat, One copy to the Finish Boat and One copy to be put in the Sign on Sign off area.**
- Sailors will sign on before going on the water.**
- Once the fleet is all on the water the Beach master will radio the signal boat (best radio in the start box) and communicate any boats that did not sign on.**
- Both the Signal Boat and the Finish boat will record on their copy of the sign on / off sheets any boats that did not sign on.**
- Any boat that retires or goes in early the signal boat will record this on their copy of the sign on / off sheet**
- Beach Master is radioed with the number of the boat that has retired and going ashore.**
- Once the retired boat has arrived safely ashore the beach master will radio signal boat and signal boat will record on their copy of the sign on / off sheet.**
- The Beach-master will check that the retired boat has signed off ashore.**

Note the Beach-master may have race control from the control box monitor and complete the retiring boats communications with signal boat if required.
