Sailing Calendar

Version 3 of the sailing calendar is up on the net. <http://www.qcyc.org.nz/qcycalendar.php>

You can also click through for a full calendar to hang on your fridge. This will have the Officers of the day listed and also the assistant OD. Please keep checking for your name on the list to help out. If you can't be there, please swap dates with someone and let me know the details. We will update this as we go and I will try to put a few weeks ahead in the Splash (see table above) with the designated helpers. If you would like to help with this, please let us know and have you trained up in no time.

Duties of the OD are listed on: <http://www.qcyc.org.nz/officeroftheday.php>

Last Week Icebreaker regatta – Sep 17-18

Despite the somewhat miserable weather in the weekend there was quite a good turnout for the Oddies Marine Spring Champs held in the waters in front of Queen Charlotte yacht club in Picton,

The selection of different boats and classes was quite impressive: Optimist rainbow, green and Open fleet sailors, P class yachts, Starling, Splash, Zephyr, Laser with radial and full rig and a pair of Paper Tigers. It was the first time back on the water for most. There was a triangular course, with differences in beat length and number of laps depending on the fleet, with a downwind finish.

Saturday brought light NW winds which resulted in some tricky sailing. There were some good tacking duels and battles between some of the Optimists and Lasers. It was Zac's, the new coach for QCYC first day on the water with the sailors after tumbling out of a plane the night before. Hopefully this dedication will rub off on all the sailors.

Day 1 brought all 3 wins for the following sailors: Harry Edwards in the P class, Moss Hopkins in Opti Green, River Hopkins in Opti Open, Peter Bush in the Laser full rig and Emily Overend in the radial. Also Nick Gardiner had a clear run in the Paper Tigers.

Sunday morning was very wet but it cleared up towards noon and races got underway. The wind was south west and as usual for this direction shifty and patchy. Three races were sailed with somewhat more mixed results. Overall it was a great weekend and good to see some of the lesser experienced sailors having a go. Results at the end of the newsletter

QCYC likes to thank Aaron from Oddies Marine for his support. I think a few little centreboard yachts might sound like yours!

Powerboat Course for prospective QCYC Naiad skippers or crew.

The QCYC course will be on October 2. It is given by an YNZ accredited person. For more info please contact Ian Gardiner - igardiner.gm@gmail.com or check out the link below:

<http://www.boatingeducation.org.nz/courses/18/club-safety-boat-operator-yacht-club-version/>

This can be for support boat skippers or potential crew. It will give you a chance to be out on the water during the season to see the sailor's close-up. QCYC would appreciate all the help so it is not always the same people who have to be out there. Please enter on club hub by doing a purchase. It is an official accreditation and QCYC will fund half of the fee so it will only be \$35 a person.

Please sign up asap on club hub or contact Ian Gardiner. We need enough people to have it go ahead!

Combined Colleges Team Sailing

The first training is on Thu 13 Oct after School. So come along if you are interested in joining and spread the word to others. There will be also an introductory session on 16 Oct for New sailors. Team sailing skippers, please let your team manager know if you can assist as we need experienced skippers on the day.

Message from the Harbour master

During the course of the last month I advised of the change **from** channel **19 VHF to Channel 18 VHF** – this change being due to changes introduced by Frequency Spectrum Management

I have been advised that the change-over will occur on 30 September between 1400 and 1630. Channel 19 will remain available until we are satisfied that channel 18 VHF operates properly. Navigation Warnings will be issued and broadcasted at regular intervals until the change-over has been completed and is operating effectively.

Sailors away

Nick-Nick Nick Gardiner and Nick Williams competed in the 420 in the USA and cleaned up. They took the Koch International Sea Scouts cup with ease. They were the first international team to do this and had a win with the ever biggest margin.

Harry Edwards did awesome at the AIMS games, held September 4 to 9. These are like a mini Olympic Games for 11-13 year olds – Intermediate school level.

New Zealand Masters Games

The New Zealand Masters Games proudly continues to be the largest multi-sport event held in the country annually. Whanganui is preparing to host the next games from 3 to 12 February 2017. Attended by more than 5,000 athletes, supporters, sponsors, volunteers and staff - the Masters Games is a 10 day event comprising 55 different sports. Minimum qualifying age starts from 20 years of age. As well as the competitive events there are social twilight events. Registrations are open online now at <http://www.nzmg.com>

For further information please contact the New Zealand Masters Games: 0800 35 40 45, whanganui@nzmg.com
